UCPD

Keeping University Circle one of the safest neighborhoods in the city is not an easy task, and since 1959 the University Circle Police Department (UCPD) strives to do it every day. While community policing is a relatively new law enforcement concept in other areas, it has been the mission of the UCPD since day one. UCPD officers go above and beyond every day, and never say, "It's not my job," when responding to a situation. In University Circle, the UCPD recognizes the interdependence and shared responsibility of police and community. Today, 23 full-time and 9 part-time officers keep University Circle's museums, parks, schools, hospitals, and neighborhood establishments safe, and they couldn't do it without your support.

This year, we will hold UCI's fourth Charity Golf Outing on Thursday, September 2 at StoneWater Golf Club at 10am. The proceeds from the event will help the UCPD meet the challenges ahead that are certain to emerge with the growth of University Circle.
